One of the two Democratic members from Oklahoma returned to the next Congress. During the past session McClintie drew censure from his colleagues by conducting a fillbuster to maintain a quorum in tension of remarks in the Rec-

APPEAL OF ARMY **MEN TO HARDING**

Baker's Plucking Board Action Will Be Reviewed.

Writs of mandamus will issue rom the District Supreme Court hortly, directing Secretary of War John W. Weeks to submit the appeals of Col. John W. French and Col. William F. Cleary, alleged vic-tims of the army "plucking boards," to President Harding for final action. Chief Justice Walter I. McCoy will sign the writs. Both of the officers had been

relegated to Class B and retired on small pay, and both claimed that this had been done in an arbitrary and autocratic manner by the for mer Secretary of War Newton D Baker, whom they accused of exerthe functions of the Chie Executive by constituting himself as a final court of appeals in such cases instead of passing the cases on to the President for review

The Chief Justice, in a fifteen-page opinion, declares that in the of both army officers, and of a similar nature, the offi-be "plucked" is entitled to know in advance the nature of the entitled to know the why and wherefore of the action of said boards whether said action is pre-

Furthermore, the court holds, all such officers have the right of aplaw. The court found fault with the manner in which Colonels French and Creary had objected to retiren.ent, but on the whole the contentions of these officers in their peti-

Building Record Shows Great Promise This Year

Fifty building permits were issued by the office of John P. Healy, inspector of buildings, yesterday. The number of permits is the highest this year and comes close to the record of fifty-three in one day. set last July.

That local building operations Of 500 Liquor Permits this time last year, 5,050 permits this time last year, 5,050 permits had been issued. The total number to date, is of permits for this year, to date, is 5,410.

T. E. Medford, recording cierk of the building inspector's office, pre-dicted yesterday that \$,000 permits would be issued this year, a record number for the District.
